

Ch.1 ADVENTURER LINDY'S CALAMITY

Beware of Tentacles

Author: -Hazuki Kuroru-

Author's disclaimer: This is R-18. For Mature readers only.

Right now, I am captured by tentacles in the Demon Forest.

Why is that, you say

That is because I,the famous adventurer Lindy Aaron,have sneaked into the forest where demons dwell in order to obtain the Seven-Coloured Jewel that can save the world.

This world is impoverished by the shortage of demonic source.For the sake of restoring the world's demonic energy,mankind's lust must be absorbed as this will prevent the decline of birth rate and extinction of the human race. In order to save mankind, the pieces of the Jewel in the possession of demons, scattered around the world, must be released.

The final boss ,Raffle,was a gigantic tentacled-flower that protected the treasure. I backed down the demon with my sword until it was thoroughly diced it up and on the verge of defeat.However,due to a careless mistake,the dying boss capturedme.Its tentacles that oozed with bodily fluids detained my arms and legs.

Maa,Come on,just 30 minutes more and the boss will perish.I'll endure a little longer until it's demonic energy disintegrates and scatters.Due to the thick demonic energy,the surrounding demons also shouldn't approach within this week hopefully.Despite the circumstances,I feel relieved.

' Isn't that a nice pose,Lindy Aaron '

Out of my expectation, a male voice sounded.

'Sh-Sharozen! Why are you here !'

' It's called strategic tracking '

' Aren't you a coward,following behind me '

I glared at Sharozen while he smirked.

This guy with the tall stature is a fellow adventurer Sharozen Bell.He is also a solo Magic swordsman.His forte is powerful offensive magic while I specialise in looting,spying and scouting.Whenever we form a party,we would always end up quarrelling no matter what.

Blond hair with violet irises,he is the definition of a beautiful man.But the appearance and the contents do not match.As far as I'm concerned,he'll remain as a mere co-worker.

'Ah- wait!'

I panicked as Sharozen walked briskly to the centre of theRafflethat held a large flower bud.

' That's my loot! Keep your hands off!'

' So are you gonna collect it?Un?What's wrong?If you don't hurry I'm going to take it '

'Uuu Coward!Cheater!'

I vexed at howI could only struggle and scream in vain because of my restricted limbs.Even so, this was brought about by my own inexperience.

I narrowed my eyes at Sharozen as his sword pierced open the bud and revealed a sparkling orb from within.The Seven-Coloured Jewelrose up into the air and its sparkling energy glittered throughthe angles of the prism.

'Uwa'

The Jewel shone with increasing brilliance beside Sharozen and ascended into the sky. Radiant lightunleashed from the Jewel and seemed to fillthe world.

Just then, the bangle on both mine's and Sharozen's left wrists clinked open to recordthe accomplishmentof the released Jewel on our adventurer's guild record.Once theRaffle'slife force runs out, my bangle will sound out with a ring to record.Right then,Sharozen's bangle rang to indicate our shared credit of successfully releasing the Jewel.This guy is seriouslytoo cunning.

' Hey,until when will you stay in that pose '

Sharozen laughed while he approached me.

My hand that was trying to cut off the binding tentacle with a knife paused.

' What's with you,quickly help rescue me '

' Ah,ok'

He made a strange face that I've never seen before,and lopped off the tentacles around my body one by one.For some reason, the area around my eyes started to turn red. Now only the binding onmy limbs are left,but at this moment Sharozen's hands stopped moving he seemed to belost in thought.

'Ya-What are you doing?!'

Is he crazy? He dismantled my breastplate and started to remove my clothes.

Haahaa,His breath became rough.

' Sharozen, stop it,ah-'

With his sword-wielding hand,Sharozen seized the two white bulges that were revealed.His hands roamed up my body and kneaded softly.

'Nooo,what are you doing,Sharozen,aan-'

My body shuddered and I unintentionally let out a strange voice.
Sharozen brought his lips close to my ear and whispered in a deep voice.
' Alas,the body of the woman I've always yearned for is right before my eyes,it seems I'm going to do it '
I flushed red as his terribly sweet and alluring voice assaulted my ears and threw me into a daze.
Sharozen's hands continued to harass my breasts and began to brush over my pink peaks.They stiffened with pleasure as he picked them up.The lower half of my body stirred and I felt a sensation course through.With akyuuto,he pinched them between his thumb and index finger.I felt something overflow from within me.
No way,why is Sharozen's touch making me feel this way?

' Sharozen,where did your usual composure run off to?Snap back to your senses!'
Despite being red and embarrassed,I gasped in protest and struggled to escape from Sharozen.
' I think I'm crazy. Within my mind,there is still a part of me that is clear-headed,and I realise what I have to do now '
'Hyaan-'
While nibbling, his tongue inserted into my ear and I cried out in torment.
Even though I don't want this,why is my body getting hot. Even though this is unbecoming of me,a strange sensation crawled up my body.
Pichari,pichari,soft slapping sounds traveled into my head and the remaining strength left my body.
' No,you can't,stop it- '
His hot hoarse voice grazed my ear.
' I,want to violate you '

He's gone mad!I stiffened in fear at the realisation of my dangerous predicament.
Lindy,Lindy, the fiend's wicked yet bewitchingly inviting voice called out my name.
' The small cheeky Lindy,afraid to show her gap,I want to quickly spread and see it.
Aww,the you that has become exposed and ashamed is so cute.
I have desired you all along.
I want to close that naughty mouth and thrust into you until you cry.
I will fill each and every hole in your body until you can't see any other man '
' Y-y-you,Pervert!'
' Really?'

It's the influence of that orb of light.Basking under the light,Sharozen has become strange.
Finally,Sharozen drew away from my ear with a dumfounded expression.
I tried to break free from the spell of his bewitching and glittering violet irises. He had golden hair framing his forehead,a straight nose bridge,and somewhat thin lips.His well-tempered body was tight and toned.He really has a first-rate appearance.
I couldn't withstand the lust that seized me at the moment,the scent of an aroused man drifted towards me and I felt his sweaty skin and rough breath.My lips parted,and I extended my tongue to lick my lips.
'Ahh,you look so delicious.Lindy,I want to make you completely mine '
He sealed my lips with sweet whispers,and his tongue began to ravish my mouth.

Ch. 2 It's Dangerous to Look Sweet

From observing Sharozen, I realised that lust was extracted as energy in order to substitute the world's demonic source. This is almost comparable to male castration.

No, now is not the time to be observing so carefreely. Anyhow, the male power emitting from his body is different from what I expected. Even the kiss is clearly different.

Sharozen took up my lips and clung on like a devouring beast sucking on it and entangling it. Because my lips are sensitive, I was unable to endure the strange ticklish feeling from his kneading and circling tongue. I was taken aback when a coy voice emerged from the inside of my throat.

Sharozen laughed satisfyingly while he looked at me. It was my first time in this life witnessing someone licking their lips.

Sharozen emanated with a kind of sexuality that I have never seen before, and continued to cling to my lips. His tongue explored left and right many times and twisted between my teeth.

Since my limbs were restrained, I could only shake my head to resist. But my head was firmly held down. With hands as big as Sharozen's, one was enough to hold my head in place. The other wrestled and explored my bare breasts.

Fuwaa

My voice slipped out unintentionally when my nipple was pinched. Sharozen's tongue entered and filled my mouth, and continued to impose

The continuous grazing of his tongue against the roof of my mouth made me weak in the knees. But they didn't buckle because they were fixed in place by the tentacles.

Sharozen inserted his leg between my stuffy crotch and pushed against it.

Oh it's hot

Hey stop it

I'm not stopping. It's amausing

Ya- idiot, I hate the person you've become / you've changed

My eyes became watery while i cursed...

I see...

Hiiiiii, scary! Sharozen's not supposed to be like that. Even though I thought he was a cool guy that had a bad personality, he shouldn't be a man with such stubborn....

When the Raffle is dead, I may be able to escape. I can exit from the gap between us as long as the tentacles lose it's power. Until then, I have to endure.

Sharozen carefully my mouth swallowing my saliva and determinedly forcing in saliva at the same time.

No matter how beautiful the man is, I don't want to swallow his saliva. When I pushed his tongue out of my mouth, he became agitated

you're being bad

Three fingers plunged into my mouth. My jaw was in pain from being filled by three thick and tough men's fingers.

Nonetheless, his fingers fiddled with my tongue and moved back and forth in my mouth.

Uku, uuh

Tears of pain spilled out.

Don't refuse me. It will be good, but once you refuse you will be punished. Oh, your watery eyes are so cute, I might really lose myself again. Come on Lindy, cry more.

Pervert! Without doubt a pervert!

I wanted to be gentle. Stay quiet

Sharozen held one nipple in his mouth while he assaulted the other with his fingers. Feeling a different sense of pleasure from his hands, my hips shook.

With a grunt, he attacked and squeezed my nipple with his tongue. In response, it hardened sensitively and perked up in his mouth.

uhh uuu!

Hateful! Although I don't want this, and I don't want such things, my — honey. My entire body flushed red and trembled. My tears and drool spilled down. My body cramped up and —, I orgasmed from nipple play.

With his stinky body, Sharozen embraced me firmly.

The beautiful Lindy is mine's only. Come on, don't be — I'll make you feel even better

The Jewel was meant to save the world, but right now it seems to have caused more harm than good.

Sharozen, stop it. It's the power of the Seven-Coloured-Jewel that you're delusional.

such a thing I just never said it. I've always thought you were cute. But i never told you.

Even so, that's an illusion

Thanks to the power of the orb, my real feelings have awakened

I see coming

Now I can't help but want to plunge into you. between your split I will fully train your body to succumb only to my rod

Control your self! You stinking Pervert!

Over there, thrusting

When Sharozen released his embrace, his hand slid to the important place between my legs and looked me in the eye.
 What's this? It's become moist to the point your panties are soaked Lindy.
 Nasty—Sharozen grinned and chuckled. He increased the fingers pressing against my hidden area
 Oh, what's this? Look at these sticky threads
 Baka Baka! Don't say it, it's strange
 It's not strange. Oh It feels so slimy?
 Hann-
 Sharozen rubbed back and forth my split with his finger. His fingers hooked up and admonished me until I panted.
 It's going to swallow my finger. You know, you want it back?
 No, don't put, ya-
 At first, there was a mild discomfort but it was a strange feeling as his finger went in and out slowly.
 What's this, Iyann-
 It feels good? Your inside is hot and convulsing lightly. I will make it feel good and put in one more. Quickly put—
 While biting my ear, he whispered obscene words.
 I did not think I would tighten onto Sharozen's fingers that were inside me.
 What do you say? Well, it here. The small bead—
 Sharozen's thumb rubbed dexterously in small motions. He caught the overflowing honey and slipped in his fingers. I
 trembled from the intense pleasure.
 oh, aa- Hey, there is no good
 Do so— whether or not it feels good
 Sharozen crouched down in front of me and embedded his face in my embarrassing place.
 No way! Don't smell it!
 I burned bright red with shame as Sharozen sniffed. I've sweated and I smell strange!
 Stupid, pevert
 Smells good. I wonder –
 Stoop it Hyaann!
 In half a – Sharozen easily stretched out his tongue onto my bud and began fingering.
 How can i make you feel good? This way?
 Noooo, Aann, useless, because Baa, aa-
 Your voice changed after having your crotch being licked. You're soaking wet and embarrassed by what you want.
 Don't be ashamed of being a perverted woman Lindy.
 Tha-that's wrong.
 Not wrong. You'll know, once I lick this hole more.
 Well, no, there, no-
 lickingThe taste is salty? Is it pee that's leaking?
 Because of you I'm leaking, stop it
 You're punished for leaking pee
 oh, aa-
 While sucking at the centre of my flower, he sipped from the urethra –
 Even though I know I have to endure, being attacked with the strong urge to pee, I couldn't stop shaking my legs.
 I hate– Uuu It's leaking
 I don't mind, I – this kind of Lindy
 No, Aann, Oh oh, It's coming out, Auu!
 With a pusha, embarrassing yellow liquid squirted out of me; hitting Sharozen's face.
 At that moment, it seemed like the Raffle became exhausted, and the tentacle that was binding me lost its hold. I
 buckled to the ground, but I couldn't stop the overflowing urine. I was in the mess of the puddle of pee.
 Ugh, hic-
 Oh oh, now I'm dirty.
 It was useless, you're naughty Lindy. This smell –
 Please, I'm sorry, ku-
 It can't be helped, I'll make you clean
 Sharozen casted hot water shower spell. After washing, another spell was casted. This time a warm wind wrapped
 around our bodies until all the hair and clothes dried.
 Look, what should you say?
 Thank you,
 That's not enough. I had to clean your pee that soiled me as well –
 U
 It's frustrating! It's embarrassing and regrettable!
 Come one, you peed on me. I even drank a little a while ago, don't you know what I was feeling?
 Out of frustration and misery, I bursted in tears.
 Baka, I'm lying. Since it's Lindy, I don't mind drinking anything. Don't cry. Lindy's pee isn't something dirty. It

was very cute a while ago, you know, because it is good—

..... Terrible

Yeah, I'm a terrible guy. I enjoy looking at Lindy crying and being bullied

Sharozen took my hand and brought it to his crotch

You know, I've become so. I want to enter Lindy.

It was taut and hot

' Then, I'm going to enter now '

Announcing strongly and decisively, Sharozen lifted me up. My robes were spread out on top of the fluffy grass, and my half-naked self was laid down there.

' Come on, in this kind of place? '

' It's going to be alright. Demons and animals won't draw near for one week because of the thick demonic energy. Just now, I fixed a boundary so even human can't come near. '

Filled with confidence, this magic swordsman declared his pointlessly high specs.

' That's why we can enjoy ourselves for one week '

' Not enjoyable! What do we do about things like meals? '

' I can convert my magic to energy. You'll be okay. '

He grinned and laughed.

' I can infuse you with plenty of my converted energy '

In no way do I want this method of nutrition replenishment okay?

' Mou, give up quietly and let me eat you already. It'll be fine, I'll make you feel good. '

Ahh, to hell with it, who would want this kind of guy who can't get the mood going at all.

' Lindy, I want you. Is it okay? I'm entering now '

' Even if I said no you would still put it in '

' You're right '

' If that's the case, I don't want to hear it. Since It's expected that I have to put up with being involved with a dog ' a dog? '

' That's right. Even if I am to be your lover, I most definitely do not belong to you. By all means, feel free to forcefully rape me. However, if you want something like my heart, something like experiencing love, then it's a really laughable to be asking me 'please'. '

' What do you mean? '

' Isn't it exactly like that?! You, have you treated me nicely for even a little in your memories? Not at all right? Before, you unreasonably took someone else's Jewel. And sure, you've undergone an increase of sexual desire power. And, by chance, I happened to be nearby simply to be raped by you as you pleased was I not?'

I glared at Sharozen as I spoke.

I knew that guy was above me in ability. I understood that I was no match for him in a one-on-one situation. It would be a lie if I said I wasn't scared. Nevertheless, I am sworn to be a dignified person called Lindy Aaron. I have to say this right now precisely because I cannot forgive it if I've been misunderstood and raped just like that.

' That's not it! That's absolutely not it! '

I think there was sorrow in Sharozen's eyes as he dropped his gaze and refuted in a loud voice.

' It wasn't something like meeting you by coincidence at all. It's because I've wanted you. I've been keeping my eye on your matters for the entire time. Even today, from when you entered the forest by yourself, I followed after out of worry. If there was nothing wrong, I intended to head back by myself. But you were captured by the Raffle weren't you? That's why I fixed a barrier and revealed myself before you. Ahh mou, '

Sharozen's expression contorted.

' I like you so much. Ever since way before. It's your misfortune to be loved by a selfish, stubborn, faulty man. '

After speaking, he took off his clothes and hung it over to cover me.

' As for me, can't you get used to my love for even a little bit? I'm not going to say I want your heart. However, I want to receive your body. It doesn't matter however much you will hate me for it. I really want you. I want to lock you up and make you mine alone. '

' that's really weird '

' Ahh, yeah it's weird. It's insane. You should resign yourself to be bitten by this rabid dog. But, my bite may be crazy. '

' Although, I've always thought you were a foolish guy since long ago. You're really a big fool, aren't you? Something like tormenting the one you like is sort of similar to the obsessive mentality of a child's '

However, the level of bullying is different.

' Mou enough, be quiet. Why did I have to fall in love with this kind of rash female adventurer, I wonder? '

' Aaaa- , '

Sharozen plunged into me. Extremely hot and hard, it churned with the intention of giving pleasure.

' Does it feel good? '

' Haa-, good, '

' Me too, it feels good. The feeling inside you is the best, it's hot and clamping down so hard. Above all things, being inside Lindy is the best after all. It was today that I finally understood what I was thinking and feeling all along. I want to be with you alone like this forever. '

Sharozen's movements steadily intensified. Roughly breathing in and out, Sharozen moved his hips relentlessly and his trickling sweat dripped down. My most sensitive place was repeatedly struck and rubbed by his rod, making me

erupt with intense pleasure.
 ' Ann, ann, aa-, Sharozen, '
 ' How terrible, even though it's become like this, I, I'm so happy, '
 ' Au-, you beast! '
 ' That's right, I am, a crazy dog, after all, '
 Feeling his penis pulling out, my body that was facing him was flipped over onto all fours like a dog.
 His hot rod settled into my secret place and began to hit. Right now, I was plunged and penetrated from the back. It entered into my deepest part where I could directly feel it strike. My body was in agony by his forceful and continuous pushing against the entrance of my womb. As he sunk his bite into the nape of my neck, I screamed.
 ' You belong to me. I won't hand you over to anyone. Lindy, you absolutely can't escape from me na '
 ' It hurts, stop it, '
 A sucking kiss latched onto my back. Surely, a bright red mark will remain.
 ' Not stopping. Go ahead and hate me, detest me, fill your heart with me. If, As long as, you only think of me, that's good enough. '
 He's seriously a stupid man. It's unclear whether he's possibly a clutz or an idiot with words.
 Sharozen's thing slipped out from me again.
 ' Lindy, is so cute, your small white back and round butt, all of it is mine '
 ' Painful! '
 This stupid dog, this time he bit my butt.
 ' The hole here is also mine '
 ' Kyaa, you can't, not there, it's dirty, '
 ' Didn't I say that nothing from your body is dirty? It's squeezing so cutely na '
 Sharozen began to lick my buttock with his tongue. Even though I couldn't help but be embarrassed, he tickled there with his licking and somehow caused honey to spill out.
 ' Aa no, don't put your finger in '
 Sharozen scooped up the nectar with his finger, smeared it over my buttock, and with that his finger advanced inside.
 ' this kind of place, you can't, '
 ' Don't say something like I can't do it there okay? Look, your love juice is steadily brimming over. It feels good, doesn't it? '
 ' That's not true, it's not okay, it's weird, '
 ' Don't worry, don't be scared of that. Today, I'm only going to feel from the entrance '
 While entering with his finger, Sharozen thrust into me once again. That dripping wet place made bisha-bisha sounds as the big and thick thing was also received into me. I squirmed and tightened with pleasure. While playing with my buttock, the meat-stick inside my secret place withdrew and I felt an overflowing amount of pleasure.
 ' A-, you can't, mou no, I'm going, to come, aann, I'm coming! '
 ' That's good, come! '
 ' Aaaaaa-!! '
 I was penetrated by Sharozen until I orgasmed. It turned pure white before me and my consciousness left all of a sudden.
 When I became aware, I was still being penetrated while facing him. Noticing me, Sharozen hugged me tightly.
 ' Are you feeling okay? I will do it many more times. Let me experience it a lot every day. Look, isn't it good here? '
 ' Aa, aann, you can't, even though you just did it, '
 ' Lovely Lindy, I'm going to go again, '
 Sharozen lifted me up and penetrated me while we were facing each other in a sitting position. His thing penetrated until it was deep inside, making me throw my head back. Sharozen held the peak of my breast between his lips and twisted it.
 ' You felt it right here didn't you? Look, sucking and licking this way '
 ' Aa, aa, you can't, Sharaozen, nn- '
 Making a loud sucking sound, my insides tightened around him again.
 ' Ahh, I can't resist your insides, '
 He seized my waist and shook up and down fervently. While his wedge continued to stab into me, my entire back arched and I panted heavily. I climaxed again.
 I leant and limped my exhausted body forward. As his penis was still standing up hard, it insisted on staying inside me.
 After I was gently laid down, he began to move again. I gasped with my sore voice.
 ' Does it feel good? Do you want more? '
 ' Haa-, mou, enough already, '
 ' Is that so. I'm going again. '
 The sound of skin striking against skin resounded. Drenched with sweat, Sharozen's hips pounded into me fiercely. He moaned and I felt his desire erupted inside there.
 That hot thing spilt into the entrance of my womb again and again. My body convulsed from the momentum and

reached an orgasm again. I squeezed and tightened up around him.

While he was entering me, my flank was turned sideways. I was thinking, I didn't want to feel the slippery sweat when he hugged me closely. Looking at my expression, Sharozen bursted out with a laugh. It was so beautiful that it must have been conjured by magic.

His scent tickled my nose as he hugged me again on the neatly trimmed ground.

' Do you feel fine? '

' Un, I'm fine '

' Is that so '

Sharozen uttered satisfyingly. He drew my head to his chest and buried his face into my hair.

' I'm sorry, but I can't let you go. I beg of you, stay by my side '

' You, you really are a stupid man '

I pressed my face into his chest.

' I'm a self-serving solo adventurer you know. I don't like others and have no need for it; especially being grouped into parties.'

' Eh? '

' I have faith that I can entrust my back to you. But, I have never done something like partying with another man. '

' that is, '

' Are you so free you've got time to look after a child? Don't say something like you have to properly look after me and protect me. Up till now, I didn't understand your twisted love, so I still have to think about it. '

' Lindy! '

' You're raising up the matters of the heart, aren't you? Please don't misunderstand me! From here on out, whatever happens, it's up to you to decide.

And how cute it was when you called me a stupid dog '

I began to kiss Sharozen happily and couldn't hear the last bits of his murmurs. And like this, Sharozen and I resumed our love-making session again.
